CHILDREN AND YOUNG PEOPLE'S NETWORK EVENT

Showcasing the year ahead

@ The Tanyard Youth Project,
Commons Road, Pembroke

12th February 2010, 9:30am

Showcasing the year ahead

You are warmly invited to attend both the first and last Network Event - the first of this calendar year and the last of the financial year. As always this time can give an opportunity to reflect and look forward and we will be doing both at this event as Network members recall their experiences and two PCC officers give us a glimpse of some of the future developments for 2010.

At this event:

John Heffernan, Tanyard Project Manager, will share his experience of 'Liquid Thinking' - a management technique that is at the forefront of current working. John accessed a training course on the subject late last year through the Network.

Gareth Mills, Change Manager for Education will be on-hand to outline the next steps in the implementation of the Workforce Development (WFD) Strategy. WFD will play a role of increasing importance in the coming months and is seen as a key planning tool in driving up quality standards.

Eirian Evans, County Youth Officer will be presenting on the upcoming developments for Pembrokeshire Youth as well as presenting the Young Wales consultation.

The programme for the day
