

HEALTH CHALLENGE PEMBROKESHIRE GROUP

TERMS OF REFERENCE

Overall purposes:

- To provide development and implementation of Health Challenge Pembrokeshire (the Pembrokeshire Health, Social Care and Well-being Strategy 2008 – 11)
- To review and update the Strategy as necessary, taking in to account local and national strategic direction and organisational developments and to make recommendations to Health, Social Care & Well-being Partnership as required.
- To implement 'Working Together – the procedure for co-operation' and adhere to other partnership information sharing protocols
- To agree and oversee the work completed by the Data Sub Group and to ensure relevant data is identified and collected.
- To agree and oversee the work completed by the Marketing & Communication Sub-Group.
- To oversee the whole process involved with the Well-being Activity Grant including making decisions on the allocation of resources to fund well-being activities in line with the grant conditions.

Accountability

The group is accountable to the Health, Social Care & Well-being Partnership.

Reporting arrangements

The group will report progress on Health Challenge Pembrokeshire objectives to the:-

- Health, Social Care & Well-being Partnership on a quarterly basis
